“ *My deepest simpathies. Podge was a good friend for many years when we were young. Spent a lot of time together. Met Ana at our house in Delphos shortly after they were married, first trip to Delphos, I believe. I know how it is to lose a loved one, lost two in the last nine months. May GOD be with you. Candy- I did not see this at the time of the funeral. I was searching for my uncles obituary who just passed and my dads came back up and we saw this. Brought back lots of memories. Thank you for sending this message. Take care - Tina
