“ Ron's friendly wave from his truck, a stop at our house for conversation while sitting in one of the porch rocking chairs, using his riding lawnmower every fall to mulch the leaves on the ground in the Association's park and his wonderful smile are how we will remember our neighbor. Our condolences to Ron's family.

“ I worked with Ron many years ago at Hammill. I remember his smile and I can still hear his laugh.

My children were very young and Ron mentioned that his daughter Kristin babysat. From the first time Kristin babysat our kids, she became part of our family and she was part of our lives for many years. Ron and Nancy had raised a beautiful young lady with a big heart, that speaks to what kind of people that they were.

Our thoughts and prayers are with you.
