“ Barb, I cannot tell you what a great influence Ron was to me. I learned so much from him throughout my many years at AMS. I was Ron's apprentice from my first day on the job starting in 1981. I knew absolutely nothing of the trade. He was patient with me while being firm in his beliefs and procedures. I worked for him in the field as an apprentice and worked for him when he was Service Manager for several years. I worked my way into the office as Sales Rep and had Ron working on many of the projects I sold. I am not going to say it was always easy because Ron was set in his ways and was not afraid to tell you so. We had much respect for each other and became good friends. I have many stories and memories that I will never forget. Love ya Ron.

My prayers are with you and your family Barb.

“ Hello Barb and family, sorry to hear of Ron’s passing.
I will always remember him as a good friend and co-worker at AMS.
I started as an apprentice thru Local 50 in 1987, I was assigned to
assist Ron on many projects. His methods and professionalism were
always one of my best on the job learning experiences.
Also I remember working with him in Swanton a couple times, at the
end of the day he invited me to the house, we walked in and you
were placing the hot brownies on the table. Very Good!
