“ *I was honored over 30 years ago when Ron asked me to be The Godfather at his son Kelley's baptism. About that same time Ron and Sen sold their house to me at a very reasonable price, and I have truly enjoyed the years I have lived there to this day. Over the years we had some good times together, including the poker sessions at Ron's brother-in-law Jerry's house with my good friend Charlie also invited. Ron's cheerfulness was infectious and his sense of humor a joy to be around. My condolences, thoughts and prayers go out to Sen and Kelley and to the rest of the family and friends.*

“ *Ron was my best friend since 1984, and we shared some really great times together. Ron was the most dedicated helicopter technician I have ever met. He loved his Life Flight family and enjoyed his work keeping them safe. My wife Denise (former LF Flight nurse) and I send our deepest condolences to his family. Ron was one in a million and we will never forget our time with him.*
