“*Rose was my stepchildren's grandmother and it was ironic meeting her so many years later in life discovering that she had been the secretary at my elementary and junior high school. She had looked so familiar but I couldn't place her. I remember Mrs. Cullen as being kind and resourceful then and later on, in her last months, I had the privilege of spending more time with her only to discover the same. She had a wonderful smile and we enjoyed spending the holidays with her. She will be greatly missed and was loved dearly. We are grateful for the peace that she has been granted and the reunion she has surely met with her loved ones that passed before her.*

Our condolences to both Leslie & Raymond on the loss of their mother and to all those who will miss her presence in their life.

' Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.'

“*I taught 3rd grade at St. Francis Education Center from 1984-1986. I enjoyed working with Rose. She had such a great sense of humor. I know that she is making everyone laugh in heaven now. I would see her from time to time at St. Joe's. She always gave such good hugs! Her family is in my thoughts and prayers.##imported-begin##Mary Reisinger otm74@aol.com##imported-end##*
