“ Dear Leah:

I was a baby sitter for you and your baby brother, Ward, on many, many nights when your parents would get together with friends and play cards. Your mother and father were very kind to me and I have thought of you and your family as I have made a family of my own with a wonderful husband, two sons and a granddaughter. Please accept my condolences in the passing of your mother;

she was always a fine, generous Lady.

Best wishes as you carry her memory in your heart. Remember that death is not the end, only the middle. "Becky"###imported-begin###Rebecca Young Coger rdcoger@toast.net###imported-end##
