“ *I first noticed Rosemary at our spring fundraiser, Scintilla, about three or four years ago. She was wearing a beautiful suit and hat to match. She was with her friend, Helen, whom she brought to the event each year. I took her photo for our newsletter. I recognized her name from preparing our annual yearbook showing the listing of Northwest Ohio flower show judges. Over the years, we became friends. She would call me to make sure she and Helen would have good seats to view the fashion runway held each year at the Scintilla event. I assured her I would make that happened. Last year, she didn't have a ride home and I was happy to take her there. She wanted me to see her beautiful backyard by the waterful where she always planted her summer flowers. Then, I wanted to make sure she got into the house. She knew I loved flower arranging so in we went to look at her floral arrangements around the house. She was very talented. We had a lovely visit. I was sorry to learn she was no longer in the Toledo area and that I couldn't visit her or send a card. My heartfelt sympathy to all of you. Susan Utterback, Garden Club Forum of Toledo and Maumee Garden Club member.*

“*Rosemary was the most wonderful neighbor. She welcomed us to a Daleford Drive 21 years ago. My brother knew her from the Lucas County fair where they judged flower shows. I enjoyed getting the history of the neighborhood, and of the Lones developments in other areas. My husband often went over to look at her televisions, she loved to talk to him. She was missed when she had to move out of the neighborhood, and will certainly be remembered fondly. With sympathy to all Sandie and Doug Prothero on Daleford*
