“ I am so sorry to hear about this. She was way too young. I remember babysitting for her many, many years ago. Father God, please take Rosemary in your arms and hold her until that blessed day when we will all be together with you, Amen.

“ *Rosie was one of the best friends you could ever ask for. I knew I could always count on Rosie if I needed help. Not only was she a great friend, she was a great co-worker. I think of how she made working fun and enjoyable. I know I will miss her...I'll miss that infectious laugh, that smile and her words of wisdom, but most of all I'll miss her calling me "Mrs. Jano". I still can't believe she's gone, but I am so thankful that I was blessed with her friendship for so many years. Thank you for all of the good memories my dear friend. Love Lisa*

“ Rose was my mentor, my teacher my friend. She was a quality person which is rare in our days, I came to love her as we do many in our rock club. Will miss her terribly and she will leave a void in our lives.
