“ Dear Family members and Mark,

I was really sad to see this obituary and I feel with you all. I am still in grief as I have lost my Dad early. He had a lot of friends in the Munich Military Community and I visited one of our friends Gary who was stationed at Fort. Bragg in 1995 were I met Mark. I hope so much that you are well and that you have married again and I hope that you let me know everything is fine. I passed my translator examination when I went back and then I moved to Austria a few years ago. I thought English and often told my students about your version on how to sound German without knowing a word. The waterfall down hill sliding and our description for bra were so to say einfach wunderbar.

*I miss your funny spirit very much Mark and I hope that you will get in touch with me again one fine day. All the best to you and your family. Please send a mail to: p_o_s@gmx.at

“ Ross was always soft spoken, a sharp dresser and a happy person. I can remember his laugh even now after all these years. I remember when Abbey met him almost 30 years ago. He was such a charmer, and he swept her off her feet. It was the disco era and did he like to dance, which was Abbey's favorite thing to do. They were a match made in heaven. I know she will miss him so much and I pray she will remember the good times, and look back upon them during her time of sorrow in the days and weeks to come. Nicole, you were the apple of your daddy's eyes. He loved you both very much. He is in a much better place, where there is no more pain, no more suffering, waiting for us all to join him, on our special day. RIP brother Ross, till we meet again!

“ Dear Abbey and Nicole, Our deepest condolences. I have so many great memories of my Uncle Ross. My Father used to take us up to visit his brother when he lived in Maumee. He always treated us in a loving and kind manner. We looked up to him not just because of his tall stature, but because of his nature as my Dad's big brother. He will be missed!

“ My deepest condolences to the Yuse family, especially Abbey and Nicole. Ross was an exception human being with a heart of gold and the soul of an angel. I loved him very much and I know that those who knew him couldn't help but do the same. Those who came across Ross were truly blessed and their lives were better because of his. My thoughts and prayers will be forever with him and his loved ones.

“*Dear Yuse Family, as the unofficial genealogist for the Yuse descendents, I was sorry to hear about the death of Ross. A few years back I connected with Mark Yuse, and I know my mother, Mary Ann Hughes Martin (daughter of Anthony & Rose Hughes in Cleveland OH) was in touch with Ross. My deepest sympathies to the family and be assured your memories will bring you much comfort. Kathi McGill (auntcappymac@yahoo.com)*
