“ Dear Cort, Holly, Nancy & family; Our thoughts and prayers are with all of you at this time. Even though our time with Rudy was short, we still remember how hospitable he was when we were up in Ohio. How he loved showing off his trains. These times are understandably hard; find hope in the thought that his spirit will stay with you, and that you will always keep his memory.

“ You left out that he was an outstanding, extremely well read historian. Many times in the past were there discussions of military tactics and strategy. His passion for learning was second to none. A quick smile followed by a laugh was his trademark.

We will miss him.
