“ Dearest Molly, Dan, and Patrick,

My heart is heavy knowing that your incredible mom—and my mom’s dearest friend—is no longer with us. She brought so much joy to everyone who knew her. Some of my earliest memories are of time spent at your childhood home, filled with the sound of Aunt Ruth’s unforgettable laugh.

That joy carried through the years, right up to Mom’s 80th birthday in 2021, when we gathered all the girls together. I believe the photo here is from that day :) We laughed nonstop, and one of my favorite memories is leaving Ocean Prime with your mom waving to every table from Aunt Carol’s rolling walker as Carol wheeled her through the dining room. An absolute classic!

She had the biggest heart, the kindest spirit, the quickest wit—and one of the world’s best laughs. Truly one in a million.

Sending so much love to you all - Melissa Farrell

“ Dear Molly, Danny & Patrick, My prayers of consolation are for you in this time of sorrow. Many years of elementary and high school days were part of my time shared with Ruthie. We still kept in touch even after I moved to CT and would come back to Ohio to visit my family. May shared times and loving memories be your comfort now. My deepest sympathies to you.

“ *My sincere sorrow for the loss of your Mother and to a very special friend. I have spent the day thinking about all the great times we had together. She was a wonderful person. We kept in touch all these years since I moved to Florida. My move to Toledo gave me the opportunity to meet some wonderful friends. Real people. Ruth especially. We worked together and played together.*
