“ *Ruth lived in New York City in the early 1950s and modeled. From her time in New York she developed a taste for fine arts and had a nice collection of art at one time.*

*She also loved gardening and had an appreciation for formal gardens and related art.*

*Ruth and her mother loved Standard poodles and each one (over the years) was named "Mr. T".*

*Although Ruth never married, she was engaged but her fiancé died during WWII.*

*She loved to go out to eat and always took me out to eat when I visited Toledo... she will be missed.*
