“ Tia, the last time we saw you was in 2016. Apa asked me if we could go to Ohio because he wanted to see his sisters. By then Apa was already sick and wanted to spend time with you all Where you opened up your home to us and your kitchen lol
You and your family had a big BBQ for us even though you were expecting heavy rains that day you and yaya were in the kitchen and on the pit cooking all kinds of yummy foods. family would come and go through out the day to come see us. and although it rained the BBQ was not called off . Typical of this family to keep going during a storm lol
You and Tia Hela were taking turns dancing with Apa your brother Joe Guzman in the garage. These were memories I will cherish forever thank you for all the long phone calls you made to us and for checking up on us making sure we were OK after Apa and Ama's passing. You were still looking out for us even though we lived thousand of miles away. But that's just the kind of woman you are/were. We love you and will miss you Tia I would of like to spend more time with you. And see you I'm sorry we didn't get that chance.
