“ I have fond memories of Sarah, I was with her at the Lakes of Monclova, I left one day before her in September of 2014'. The nurses told me that before I came Sarah would not leave her room , I used to get her to go to the dining room for our meals, I had a total knee and was in for rehab, I enjoyed all her stories of her husband and the time being a nurse, she couldn't remember her telephone number to give me when I left , she had a good life. “TWO MOTHERS REMEMBERED”

*I had two mothers - two mothers I claim.
Two different people yet, with the same name.
Two separate women, diverse by design,
But I love them both dearly because they were mine.*

*The first is the Mother who carried me here,
Gave birth and nurtured and launched my career.
She was the one whose features I bear,
Complete with the facial expressions I wear.*

*She gave her love, that follows me yet,
Along with the examples in life that she set.
As I got older she somehow younger grew,
And we'd laugh as just Mothers and daughters do.*

*But then came the time that her mind clouded so,
And I sensed that my mother I knew would soon go.
So quickly she changed and turned into the other,
A stranger who dressed in the clothes of my mother.*

*Oh, she looked the same at least at arm's length,
But she was the child and I was her strength.
We'd come full circle, we women three,
My mother, the first the second and me.*

*And if our own children should come to a day,
When a new mother comes and the old goes away,
I'd ask of them nothing that I didn't do,
Love both of those Mothers as both loved you.*

“ When I remember your beautiful Mom, Sarah, my thoughts go back to high school sleep overs at your home. I can still see your Mom in her nurses uniform or her golfing outfits. She of course, was so much fun to be with on our Florida trip in high school too, such good memories. And finally, I so enjoyed seeing your Mom at CCUP on Sunday's, always a smile on her face. She will be missed by all.

“ What a beautiful woman your mom was, Janny. I'll never forget our trip to Florida in our teenage years, with her as our chaperone. She was the best. And will never forget the "fingernail" incident in the restaurant. She made us all laugh so hard! Your mom was always so good to me. She will always have a place in my heart! Thinking of you Janny and your family during this difficult time. Love you.

“ I can't think of Sarah without smiling, she was always so sweet to all of us growing up. Janet, Jill, Sara and Deb, school chums, we always remembered Janet's mom with the best of thoughts and admiration for her beauty and class. Interesting that she should pass on my own mother's birthday, hopefully they are enjoying a heavenly friendship as they did here on earth sharing stories of their wonderful families, friends, the Shrine and all their social gatherings. Fore...I am sure you have the clubs out already.

To your family that is missing you so, may the wonderful memories console you all and feel the peace of a life well lived. Love you dear Sarah.
