“ Ohhh Sean, You are at peace now...our hearts are hurting but, we were so blessed to have that toe-headed blonde haired, bright eyed, infectious smiling, innocently mischievous laughing presence of yours in our lives. From Marengo Street on... I'm so sorry this world is so cruel to the human spirit sometimes. God Bless the Walter Family and send them much needed peace from heaven. amen. Your former neighbor, baby sitter, and friend. Veronica Fischer.

“ Sean could always make me laugh...had that smile that could light up any room. He always made me feel welcome and part of the family...especially being an annoying friend of his older sister, Monica. Those boys have his smile and looks and Sean will live on through them. My heart aches for everyone that knew him
