“ *Shelby was so positive about almost everything in life. I remember when she was in my class (3/4th) and was struggling to overcome her fear of having her photo taken. She figured out a way to join her classmates, and they rooted her on, as she smiled her beautiful smile and kept her eyes closed. Now in all her photos we see both her smile and her bright eyes. Shelby inspired us all to never give up. Her love of learning and fascination with many, many topics is another example of how to live life to the fullest. Shelby, you will always be in my heart. <3*

“ *I've never met anyone like Shelby. She met life head on, full throttle - zooming around like there was no better moment than right then and there. She greeted you exuberantly, like no one else mattered more in that moment. She was genuine and passionate and so very alive. I feel fortunate to have known her and will always remember her quirky passions and her exuberant smiles.*

“ *Though I had not seen Shelby for a few years, I had not forgotten her one bit, and never will. She was an incredibly happy, sweet, and enthusiastic young lady who never failed to brighten up any moment in the Maumee Valley Lower School with her beautiful smile. Mrs. A and family, I am so, so sorry for your loss and you are in my thoughts and prayers every day. Shelby will be deeply missed.*

“*Flowers have spoken to me more than I can tell in written words. They are the hieroglyphics of angels, loved by all men for the beauty of their character, though few can decipher even fragments of their meaning.*
~Lydia M. Child

Shelby was an angel on earth. Her smile was infectious and she brought such joy and energy to everything she did. I loved having her in my theatre company. She was like a flower in the sun- unaware of her beauty, she shared that beauty selflessly through her smiles, hugs, kind words and her amazing capacity to love EVERYONE.

“ *Jill, Bob, and Bryce,*

There are no adequate words to express how very sorry I am at Shelby's passing. Although the lack of her daily presence may seem an insurmountable loss, I hope that you will be able to keep her beaming smile, pure spirit, and unfailing love for others in your hearts. Although I only met Shelby a few times, I felt I knew her from the wonderful stories that Ella repeated after hearing them from Jill. Shelby's life was too short, but may you take solace in the love that surrounded her, and the joy she brought to others, even those she did not know. She lived and loved wholeheartedly, and will be missed.

“ *Bob,you and your family have my deepest condolences in your time of sorrow. Losing a loved one, especialy a child must be the toughfest thing in life that a person has to experience. That is why, you and your family must remember all the good times you were able to spend with her and not the sorrow of today. I hope that with time, love, faith and many tears you and your family will remember the good times of yesterday and not the sorrow of today. Let we never forget the yesterdays. your friend, Gary Riebe*
