“ Although when the extended Bohland family regularly gathered for holiday celebrations at Katie Miller Bohland's I was too young to really know your mom, I can tell you a snippet that might touch your hearts. It was shortly after Velma Abel passed away and I was at Aunt Louann's and she showed me a letter your mom had written her. The penmanship was exquisite and the letter was warm and loving. It gave me a glimpse of the person your mom was. May happy & fun memories comfort you as you grieve.
