“ John and family,
Words can't express how much I loved and respected your Mom. I hope you can find some solice in knowing how she has touched my life and the lives of others. I remember waking up in your basement many times after a night of revelry, and having your Mom yell down and ask "how mary for breakfast?", with a smile on her face. I am so sorry for your loss.

“ Shirley Jane was a second mom to the "pack". She covered for us so many times that we should all be eternally grateful we are not STILL in CSI. She was a grand lady who will always have a special place in my heart. We are sorry for your loss but we should also celebrate a wonderful life. Love to you all.##imported-begin##Dick&Mary Henning rhenningr@bex.net##imported-end##

“ Mrs Feick was a second mom to all the kids in Westmoreland. What a wonderful time that was. Not only did they have a pool, but Mrs Feick would give you a towel and make lunch for you! Their screened-in back porch (like most back porches in Westmoreland) should be in a the Smithsonian Museum.

I am very sorry for your loss.##imported-begin##Patrick Brennan##imported-end##
