“ Doug & Family,

I just watched the loving tribute to your mother. WOW! What a great lady, and a beautiful family. I have many fond memories of visiting with your mom & dad..way back in the day.

I will always remember Shirley as fun, but firm. I will never forget the way she would tilt her head to the side and give us the "eye" as she asked where we were off to for the night. That laser-look always made us come clean (sort of...).

I pray that your parents are now resting in the glowing and eternal love of our Lord, Jesus Christ. They must be smiling down upon you all as Jesus says...."well done".

I will remember you as I pray my daily Rosary.

God Bless,

Shawn MacRitchie & Family

“ Dear Irving Family,

Brent and I are keeping you all in our thoughts and prayers. We have fond memories of your parents sitting in front or behind us at OLPH masses and watching them with Matt and Sue's twins. We always teased them saying we have to go to mass again because we had fun watching them and not listening to mass. Your dad and my mom passed very close and the same with my dad and your mom. (2 months) There is an OLPH get together in heaven.

Peace to All,

Maggie and Brent (Bosch) Reed

“ Shirley and I worked together at Fabric Circle U.S.A. at Southland Shopping Center for, maybe, 8 years. We lost touch until Sue recognized me at a meeting and brought Shirley to my alteration shop. She and I visited several times until she was unable to. I know her family loved her and she definitely loved them. I'm so sorry she is gone.

“ I will always remember all the wonderful times we had together going to lunch or breakfast and visiting Norma after we lost her. We would talk about all the fun we had going to Shipshewana each summer and sharing memories of Norma with each other. I cannot tell you how comforting that was to me. She was my friend and she was there for me during some difficult times. I loved her and I will never forget her. My thoughts and prayers are with you. Sincerely,
