“ So many great times and memories of getting together with Shirley and her mom's sister, Betty Miller Rohlman. So glad Ricky and I were able to get together with Tony and Shirley when Tony and Rick's dad, Edsel, were still alive. Wish we could have had many more lunches. Our deepest sympathy to Bev and her husband, Ed, and to Shirley's children and grandchildren. Ricky and Joan Rohlman

“ My condolences to the family and to those who knew and loved Shirley. We grew up in the same neighborhood, and Shirley is a good friend of my sister Donna Barry. I remember Shirley as a sweet, caring, and happy individual. My Mom even babysat Shirley and Bev for awhile, which provides great memories. May she enjoy the well-deserved blessings of heaven.

“ I remember going camping with Shirley and Tony and our kids. It rained so hard and Shirley had to stay in the tent because one of her kids was sick. I felt sorry for them being stuck in a tent while it poured rain.

But we did have fun. We stopped at a restaurant for breakfast and Tony ordered 2 dozen donuts.

Such fun we had when we were younger. Lots of good memories. Our condolences to Shirley's family.

“ Years of memories since our mothers were sisters. My mom and cousin Shirley were very close and Shirley was there when my mom passed. Such a sweet beautiful cousin, and looked a lot like my mom. Loved our talks on the phone, covid time, and waited for this pandemic to end so we could meet for lunch. Then. Things happened and Shirley was unable to make it out. Remember the time when Bev and Shirley was going to prom and we went over to see them in their pretty dresses, and to see the young men. Tony was Shirley's beau even in high school. When Shirley and Tony got married and started having babies, I babysat. Her and Bev and Aunt Elsa through me a nice baby shower.
I could go on and on.
The best thing was they were the best family we had. Love you Shirley and hope you get to see our parents, because I look forward to seeing you all again.
You are no longer suffering. And that means a lot to me.

“ *We remember Aunt Shirley and Uncle Tony visiting us in Youngstown with Barb and Gus, we laughed the entire day from all the great stories they shared together. Aunt Shirley was always positive and full of spirit. She loved her family so much and always shared updates on how proud she was of her kids and gkids. Our prayers to her children, gkids and family. Love Gus and Jane*
