“ Oh Stacey, when we met it wasn't friends at first sight, through the years we grew closer, became mothers, shared Heartaches and Heartbreaks. We helped each other fight the demons that clouded our minds. We shared the blessings that God gave us. You started down a path I could not follow its was yours and yours alone. I was so prond of you, Stacey. For wanting to change and be the person I know you would be. I always told you to Laugh out aloud and often and love like its your first time and live for every moment..... You embodied that saying Stacey.... When you laughed its was contagious and everyone around you joined in...When you loved its was like the first time you didnt let your past loves stop you... An you always lived in the moment... even when some young girl started a fight and you got a beer bottle to the head. You told her "but I still whipped your ass" and walked away. I'm going to miss you just popping by the house, Stacey or singing Pat Bentarsongs with you. But most of all I will miss you not being in this world... Be at peace my beloved friend no more pain or sadness for you, God be with you. Mel###imported-begin##Melissa (Missy) Codner Meliss aCodner30@yahoo.com###imported-end##

We loved eachother just like sisters do.Now It's time to say goodbye and send you off to heaven,this is one of the hardest things I'll ever have to do in my life,I will always hold you close in my heart and you will live on in my memories.I love you so much,rest in peace my love.##imported-begin##Lisa Kruzel Segura leighna37@yahoo.com##imported-end##

“ Stacey, I've tried to reconnect with you on and off over the past few years, but could never quite get it. We've fought a few battles together and you've won them all!!! I'm so proud of you. You were a wonderful mother and I have so much respect for you. You were one of the kindest people I've known. I guess I will keep missing you, but know you have and always will be in my prayers. Much love to you, your parents, and your wonderful boys.##imported-begin##Sue (Aurora) patnovotny@yahoo.net##imported-end##

We fought, we made up and we grew. My time with you was short but I will cherish it. I feel my life is fuller because of you. You would always try to help others before your self. “ Dear Stacey  
My baby girl, I am lost. You were always colorful and eventful. From the time you were a little girl you always had a thought for the day. This seems so unfair! I have to go on to believe that your pain is gone. My pain is with me forever! Rest peacefully and keep your eyes on your 3 precious boys from heaven!
