

Steven Jeffrey Doerfler

April 18, 1956 - March 6, 2023

Steven J. Doerfler, age 66 of Swanton, OH passed away peacefully on March 6, 2023 while surrounded by his family.

Steve was a journeyman Tool and Die maker for nearly 30 years, including 21 years for GM Powertrain until the time of his retirement in 2006. He spent his days helping others, working on projects, and being outdoors whenever he could. Steve loved taking his Harley out for a spin on sunny days. He always kept busy and sought out to fix any and everything. He absolutely loved and adored his grandsons and found great joy in teaching them what hard work was. Building their treehouse and zipline, and enlisting their help with his outdoor pizza oven and fireplace were just a few of the many amazing memories they shared.

He is survived by his loving wife of over 48 years, Judy; sons, Brent (Jen) Doerfler, Clint (Laura) Doerfler; grandchildren, Gabriel (Madison), Gavin and Grant; brother, Paul (Carol) Doerfler; sister's-in-law, Ginny (Jim) Duffee, Angie (Tom) Penn, as well as many nieces and nephews. He was preceded in death by his mother, Joan Doerfler.

A Memorial Service will be held at St. Paul's Lutheran Church, 112 E. Wayne St., Maumee, OH 43537 on Monday, March 13, 2023 at 11:00 a.m. where the family will begin greeting guests at 10:00 a.m. Interment will be private.

The family would like to extend a special thank you to Kate Burlen-Davis and staff at Sincera Supportive Care for her compassionate care. Please view and sign our online "guest registry" at CoyleFuneralHome.com.

“ Judy, I just now saw this post. I am so very sorry to know of your loss. I never met your husband or your children, having only known you in middle and high school. But, I know you and your heart well enough to know he was a great man. God is so good to have given you 48 years together. I will pray for strength, faith and love to carry you and your family through this very difficult time. I am so sorry for your loss. 🙏

We always admired the things he could build and create, and he was always willing to teach others. May your good memories comfort you in the days to come.

“ Judy, Brent and Clint, our condolences on your loss. I always enjoy telling our friends about the talented man, Steve Doerfler, who built our house. I tell them about how he converted a Volkswagen Beetle into a log splitter. I like add that if I had Steve's talent and I could convert a Volkswagen Beetle into a log splitter, I would not keep it in my barn I would keep it in my living room.
Happy trails Steve.

“ *Judy and families,*

Brent and I are so very sorry to hear of Steven's passing. We want you all to know that you are all in our thoughts and prayers.

As you look up at the night sky you will find the largest and brightest star blowing you kisses and reminding you that he is at rest.

Also probably having a feast with all our family gathered in Heaven. I am sorry I will not be able to make the memorial on Monday, it is my first day back at school after being out for 3 weeks due total knee replacement but know that you are all in our thoughts and prayers.

*Peace,
