“ It was so good to see my cousins yesterday, I just wish it wasn't like this. I grew up with Steve, Cathy and Tom. Tears roll down my cheeks easily when one of my family passes way too soon. I had such a good visit with Steve and Randa at the meal following Uncle Edward's funeral. Randa, treasure wonderful memories you and Steve made together.

Love to my family,

“ Steve was a great man and I was shocked to hear the news. He wasn't as chatty as the rest of our family, but when he spoke he always had great knowledge to share or a good joke! I enjoyed getting to know him and I mourn his loss. I am sorry I couldn't make it to his wake. Prayers sent!

“ Steve will be sorely missed at Marcos. I enjoyed making dough with him in the mornings and talking about whatever random thing came to mind. He made me laugh and was a hard worker.

“ I have worked with Steve for the past 16 years. He was not just a co-worker, he was my friend. Steve has touched the heart of a lot of us at Marco's and things will not be the same without him there. When he talked about his wife Randa, there would be such a smile on his face. I was so happy to be at there wedding to share there love in Marriage, and more than that I will be forever blessed having a friend with a heart as big as Steves. Its not good bye my friend, its until we meet again...

“ I knew Randa before I met Steve, but since I live right around the corner from Marco's I got to see Steve more than I did Randa. Every time I would see Steve at Marco's I would say "Say Hi to your wifey" and he would get a big grin on his face. I knew they loved each other very much! God speed Steve, we'll all miss your wonderful smile and generous loving nature.

“ We recently moved to Perrysburg this summer and for the past 6 months, my 15 yr old son, comes into Marcos EVERY day after school for his favorite, Cheesy bread. My son has some eating sensitivities and always requests his bread to be "lightly baked". He loves it there but especially loved how Steve made it and always checked the receipt and would smile and say, yep...it looks perfect...Steve made it ! :) Its difficult to live with a child with eating issues, but he loved his cheesy bread. A few weeks ago, before Christmas, Connor wanted to take a candy basket in for the nice employees at Marco's, while he went in to get his cheesy bread. I was sitting in the car and I could see Steve's face smile and light up when Connor handed him the basket of candy. It was so nice to see how a simple gesture could make someone happy ! It will not be the same, going into Marco's anymore, but we will always remember how nice Steve treated my son and the yummy cheesy bread he always made! Rest in peace, Steve.....The Thomas Family
