

Susan Jane Eriksen

January 21, 1940 - June 21, 2012

Susan Jane Eriksen, wife of David Eriksen, daughter of Clarence and Anne Cornell, died suddenly and painlessly of cardiac arrest Thursday evening, June 21, 2012 in her home. Susan was born January 21st, 1940. She grew up in Wapakoneta, Ohio. Susan attended Ohio State University where she met David. Together they had four children and resided in Toledo for the last 40 years.

Susan's life revolved around helping others. She retired from nursing after her second child was born and has been volunteering in Toledo for the last 40 years. She was a member of the Junior League. One of her passions was working for Children as a Court Appointed Child Advocate (CASA). She started out as a volunteer and retired 20 years later. Her compassion touched countless families.

Susan was a gourmet cook. It was a passionate hobby that family and friends enjoyed nearly everyday. She was an avid reader. Book club was one of her many favorite pastimes. She was a gardener with patio flowers second to none. Her family knows of no one who had more friends. She cherished them and they cherished her.

As expected from this wonderful woman, her priority and devotion was as a Wife to David; Mother to Leif, Kirsten Homberger, Heidi Bleyer and Hans; and

Grammy to Mason, Elena, Abigail, Madeleine, Hannah and Nicholas.

A memorial visitation will be at the Coyle Funeral Home 1770 So. Reynolds Road Wednesday 3-7p.m. Interment will be private. Memorials may take the form of a contribution to CASA. (c/o Carol Martin, Director cmarti@co.lucas.oh.us 419-213-6787)

“ Dear Dave & family
Am so sorry to hear about Susan. One can't express how sad it is to hear this news. We can only say she didn't suffer, and except for the shock to everyone, it's a good way to go. I've experienced the same with Jim last April. Know he would have wanted it that way. Again please have my deepest sympathy.
Sincerely

“ I am so shocked & extremely sad, almost at a loss for words that Susan would find humorous. Susan was Director of Volunteers at the CASA program when I took the training & became a CASA. She was always more than a mentor, she was a true friend who remained my friend after she left the program. I can't imagine the world without Susan. My world will certainly never be the same. We shared the same sense of humor & the same sense of community. I can't express how much I will miss her.##imported-begin##Ruth Trznadel annyrt@aol.com##imported-end##

“ Dear Dave and Family;

My favorite memory of Sue was my driving home during an absolute cloud burst years ago. It caught Sue walking on Copland next to TCC golf course. I stopped and picked her up and drove her home. She couldn't have been more wet if she had dived in the lake, but she was forever grateful, and thanked me for years after. I will miss my wonderful neighbor and friend. God Bless.##imported-begin##Steve Boice##imported-end##

“ My world became a better place having been involved with Susan and Carol through CASA. Susan was patient and above all, caring and taught me the true joy of giving for the benefit of another. I learned so much from her and was always greeted with a smile and words of encouragement. I feel blessed to have been touched by her life. As many people as she must have met in her life, she still remembered me when I took my mom in to see David-never made the connection-but Susan did. You are all in my thoughts and prayers and know she is watching over you. She is and was a true angel.##imported-begin##Melissa Jean (Portentos) mejlp@live.com##imported-end##
