“ Doug, Tiffany just saw a message on Marhews Face book about Sue passing. We are so very sad to hear this. It has been a long time since we have seen you all. But we still have the best memories of our favorite neighborhood behind TGIF Fridays. Pig roast and kids playing and all of us laughing and enjoying life!! Sue always was fun, sweet , and so very caring. We love all of you and send prayers to you and the family. Again , we are so sorry for this loss. God has her now. A beautiful angel!!...

“ My sincere sympathy to you, Mom and Dad Kesting, Karen and Mary Jo. While I did not know Susan, I do know Mary Jo and Karen quite well and know that it is a great sorrow to lose two of your four daughters to cancer. If Susan was anything like Dianne, Karen and Mary Jo, her passing surely has left a hole here for you. I am not able to attend the funeral or visitation as I'll be out of town for both, but I do want you to know that you are in my prayers. May Susan's legacy be all the good she did here on earth, and may that be a great consolation for you and may your strong faith sustain you at this time. Sr. Joanne Mary (aka Sr. Mary Jon), SND.

“ Words can't express how bad I feel for the whole family, Susan was so young and vibrant, but cancer came in and stole all of that from her. I hope you all find comfort in knowing that she doesn't have to suffer any longer, she is at peace.
