

Susan Marie Wistinghausen

April 24, 1955 - June 16, 2023

Susan Marie Wistinghausen (formerly Schneider), 68 years, has left this world on June 16, 2023, to be seated at the Banquet of Heaven.

As a child raised on a farm in Bellevue, Ohio, the best times were always around the kitchen table. At mealtimes, everyone in the family had their specific seat including Arnold and Lucille Schneider (pre-deceased parents), and siblings Bernard Schneider (formerly of Florida and recently StoryPoint in Waterville), Sister Berneta Schneider (Elizabeth), Sister Valerie Schneider (Donna), and Cathy Schneider (all from Toledo).

If it wasn't food being served at the table, it was a fun game of Euchre. Arnold mentored all his children in the nuances of the game. His proudest moments were when he was beaten in a game by one of his own children!

While attending Notre Dame College in Cleveland, Sue met Al, the love of her life, her confidant, her best friend, while on a blind date. Enjoying much in common, especially good food, they married 18 months later. Their 46 years together flew by with dedication to their careers, Habitat for Humanity builds, trips to Hawaii, Grand Cayman and Australia and loving their stray kitten Furball.

During her spare time, while working in the sign industry or the insurance business, Sue loved to cook and bake. Family gatherings and many holidays were hosted in Sue and Al's home. This personal experience led her to achieve the career of her dreams-Catering Manager for Michael's Gourmet Catering, Inc. For 21 years Sue treasured making brides' dreams come true!

Services for Sue will be held on Friday, June 23 at St. Patrick of Heatherdowns Church, 4201 Heatherdowns Blvd., Toledo. Family and friends are welcome to gather at 10:00 a.m., followed immediately by Mass at the Table of the Lord at 11:00 a.m. Luncheon will be the Holy Family Center. Burial will be at 2:00 p.m. at Resurrection Cemetery, 5725 Hill Avenue, Toledo. Arrangements are entrusted to Coyle Funeral Home, 1770 S. Reynolds Rd., Toledo.

Your continued thoughts and prayers are appreciated. In lieu of flowers, contributions may be made to one's favorite charity. Please leave a condolence message at CoyleFuneralHome.com.

Enjoy every morsel of life!

“ It is with deep sadness that my sisters and I learned today of Sue's passing. She was a kind and happy cousin. Sue took the time to visit with Mom and us girls while eating at the restaurant. One of many warm memories. Al and the Schneider family are in my prayers.

“ Al & Schneider Family, Sincere sympathy to you. Just today I attended a Jubilee luncheon for the Sisters of St. Francis, Sylvania, OH and, of course, I recognized the well-organized Michael's Cafe & Catering staff, who served us today. In conversation with the Catering Team I shared how I missed Sue's presence, as she was always the Catering Team Leader greeting me with a smile whether I saw her @ Michael's Cafe or at Lourdes University Franciscan Life Center. Sadly only today did I learn that her funeral was yesterday. Had I known be assured I would have been present. As the Group Leader, Padre Pio Prayer Group (PPPG-CK), Diocese of Toledo, I will submit Sue's name for continue prayers for her soul. Blessings in the spirit of St. Padre Pio, Sue and family.

“ Al, Schneider Cousins and family,
Susan was one of the most giving and unselfish person's I have ever known. Her willingness to always step in when anything was needed, her keen sense to know if something was needed and completing that task without anyone knowing is one many gifts God gave her. The smile of others brought out her amazing smile which meant her job was well done. That servant's attitude will be surely missed by all.

“The master said, ‘Well done, my good and faithful servant. You have been faithful in handling this small amount, so now I will give you many more responsibilities. Let's celebrate together!’

Our visits to the Schneider home were always a great time when I was younger. The girls playing the piano, teaching us younger folk how to square or polka dance, in the basement of their ranch home. We were always welcomed.

May God give your family strength, courage, knowledge, wisdom, peace, and understanding at this time.

“ *Dear Wistinghausen Family:
I was extremely sad to see Sue's obituary in today's newspaper. I was privileged to meet Sue through many Manor House receptions over the years. She was incredibly friendly and pleasant to work with and a master at organizing. Her attention to detail in table displays, encouragement of her staff and food recommendation made for a seamless and delicious event but many long dedicated hours. Sue was such a kind and compassionate person and I know will be missed by many. Please accept my sincere sympathy and condolences. I may be retired from the Metroparks for over 10 years but fondly respect and cherish our "times" together. May God Heavenly Angels welcome Sue to her forever home.

“ *We were saddened to receive Sister Berneta's message that Susan passed away. Although our lives took us in different directions and many miles apart, memories of visits to Uncle Arnold and Aunt Lucille's farm always bring a smile to my face. I can still envision afternoons playing with Susan and her sisters and brother on their large front yard and after, peering over their table while Arnold and Lucille played lively games of euchre with my Mom and Dad. We send our deepest condolences to her family and friends on the loss of Susan and will keep you in our thought and prayers.*

“ Our sympathies to Allen and the family. Many wonderful memories growing up with Susan and spending summers in the pool, games in yard and going to visit on Sunday afternoons. May the Lord be your strength through this time.

“ I was so sad and sorry to read of Sue's passing. There are few people in the wedding industry that knew this business better than Sue. She truly cared deeply for each one of her brides. I learned so much from her over the 21 years that she's been in this industry. I will never lay a linen on a table without hearing in my head Sue telling me the proper way to do it. She did not TELL you something without TEACHING you. I have so much respect and admiration for her.

May God comfort her family during this time and the days ahead.
May she be at Peace.
