

Tammy Lynn DeFalco

May 30, 1962 - March 14, 2019

Tammy L. DeFalco, 56, of Sylvania, passed away on Thursday, March 14, 2019. Born May 30, 1962 at 6:46 p.m., Tammy was always smiling and happy from the time she woke up until you kissed her goodnight.

Tammy attended Heffner Lott Day School. Tammy was the first child with Down Syndrome to have the honor of being nominated from the board of MR/DD to represent Lucas County as its first Poster Child. Tammy was a member of the Down Syndrome Association of Greater Toledo and the oldest living documented Downs Syndrome person in North West Ohio till her passing on March 14, 2019.

Tammy graduated from Larc Lane School in 1982. She then entered Lott Industries where she loved working in the Sheltered Workshop at the Berdan Facility. She enjoyed music, dancing, opera, disco, roller skating, and Ohio State Football. Tammy also had a gift to gamble, traveling to Greek Town in Detroit and Las Vegas.

Tammy competed in track and field and attended the Lucas County Special Olympics and the State Summer Games in Columbus, Ohio. She loved sports and was a starter in Basketball, Volleyball, and Bocce Ball. She had at least 500 gold medals, but she treasured her only two silver medals that she gave to her Uncle Richard and Uncle Albert. She also treasured her Uncle Jesse who traveled every year to be with Tammy for her birthday.

Tammy love to be working at her brother's store, Monnette's Market on Secor Rd. where she enjoyed visiting with the customers and working with the staff.

Tammy loved her friends; she had many p.j. parties and went to every dinner/dance held by the Lucas County Board of Developmental Disabilities. She loved her Orthodox Christian faith and going to church where she was proud to be in the choir. Although she had limitations, Tammy still found a way to not just fit in, but to positively affect the lives of everyone with whom she came into contact. She loved and enjoyed being an aunt to all her mother's grandchildren and great grandchildren referring to them as "her grand babies". Tammy was preceded in death by her father Louis William DeFalco. She is survived by her mother Carlene DeFalco; brothers William and John (Linda) DeFalco; 7 nieces and nephews; 9 great-nieces and nephews. Friends may visit at the Coyle Funeral Home, 1770 S. Reynolds Rd., on Monday, March 18 from 3:00 – 8:00 p.m. where a Trisagion of Mercy Service will be held at 7:00 p.m. A funeral procession will begin in the funeral home on Tuesday, March 19 at 9:15 a.m. to the St. Elias Antiochian Christian Orthodox Church, 4940 Harroun Rd., Sylvania 43560 where Tammy will lie in state from 10:00 – 11:00 a.m. with a Funeral Liturgy beginning at 11:00 a.m. Officiating is Archpriest Ayman Kfouf. Entombment services will follow at Toledo Memorial Park.

The family wishes to thank Tammy's extended family and special friend Vi-Jay Seth, best friends Kathy Clemens and Charla Joseph Akerman and especially her caregivers Michelle Ratkin and Theresa Athaide-Victor for their continued concern and loving daily care for almost a full year.

Memorials may take the form of contributions to Lucas County Special Olympics, St. Elias Antiochian Christian Orthodox Church, Alzheimer's Association, or to Sunshine Children's Home.

“ My heart is aching after losing one of my BFFs early this morning. Tammy and I had a very special relationship and I will never forget the great times we had, just hearing her laugh melted my heart. When she went to church she would always turn around and wave to me in the choir. We went out to dinners and went for ice cream many times. She used to call me all the time and leave me cute messages. My favorite is when she would call me during work and I could hear her mom yelling in the background who are you talking to, and she would say it wasn't her business. My greatest honor was when I converted her to an OSU fan (her mom loves the other team). We would go back and forth go Bucks. I loved buying her stuff with OSU on it too. When I saw her a couple weeks ago, I told her mom that Tammy said she wants her to put her OSU t-shirt on and her mom had a fit. Sorry Carlene but I do have proof! I could go on and on of my great times with my buddy, she was so special to not only me but my sisters as well. I love you Tammy. May your memory be eternal sweet one. 💔😭✝️

“ Aunt Tammy you were a beautiful soul❤️ I'm gonna miss that smile and laugh of yours. One of my favorite memories of you that always makes me laugh and smile is when we had an Easter egg hunt for you and the kids at my house, you were so excited and running so fast that you collected all of the Easter eggs, yes every single Easter egg ❤️ I love you so much. I will see you at the gates😊

“ Tammy was such a joy! She was full of laughter and had a beautiful smile. She would love to tease and sometimes enjoyed being teased. We both had fun on our "Sunshine" walks in September several years. Tammy would look at me and say "You're my cousin" and there was no reason to dispute what she believed. She would just insist that I was. Tammy enriched so many lives and I just happened to be one of those lucky people.

Tammy gave and received so much love from a wonderful family, especially her mother, Carlene, who gave her all until Tammy was ready to find her place in heaven.

My thoughts and prayers go out to the DeFalco family. I know that your lives will be terribly empty without Tammy. May God bless each of you - He certainly blessed Tammy.

“ We are so sad to hear about Tami and all the struggles she had to endure. She was blessed to have Carlene for her mom over so many years of compassionate care. We will miss our fun-filled dinners, her smiles and stories.

Prayers for all of you for strength to endure this tough time of loss. Stay strong in Him.

“ I remember Tammy mostly from her involvement in our recreation activities & Special Olympics. She was always a delight to work with. I haven't seen her for a lot of years, but I know her attitude was no different from what it was when I was working in the program and seeing that she got to participate in those activities she loved. Blessings to her & all her family.

“ As my sister Rochelle wrote yesterday, our family moved from Toledo to Chicago when we were young and when Tammy was less than a year old. In the many years since that time, seeing Carlene and Tammy at larger family gatherings, Tammy had blossomed and matured. At my parents' 50th wedding anniversary parties in Chicago, 1994, Tammy danced with all of us, a true disco goddess. She clearly got that from her mother, another great dancer. I learned of her very full and productive life, her many activities, relationships, and achievements. Carlene, you must be so proud! We know you and Billy and John and all the kids must feel sadness now. But joy in Tammy's long and special life surely is being celebrated. My love to you all, Cousins. Janelle Joseph

“ Though my folks moved from Toledo before I began Kindergarten, what I remember most from our visits thereafter was Tammy's very special personality, infectious spirit -- and her laugh. She came into a remarkable family and made it even more so.

I think it's safe to say that she made others awareness and hearts grow greater too for knowing her.

Sending love to the whole family at this very sad time. When you lose someone you love, you gain an angel that you know.

“ When my cousin Tammy was born almost 57 years ago, her life expectancy was less than half of the years she ultimately lived— with unrequited joy and purity of heart, with a zealousness of love and laughter we shall all sorely miss.

May her memory be an example for us always.

“ *I met Tammy when I worked at the Front Desk Secretary at Lott Industries. She always made me smile and was so sweet and loving. She liked it that we shared the same name. She called me the other Tami. She was an angel on earth and surely one of God's special angels in heaven. Rest in heavenly peace my dear sweet Tammy, until we meet again. Much Love, The other Tami*
