“ Colleen and girls...i feel 'jipped' (sp)? that I never got to meet your husband/father..He seems an extraordinary and loving individual. I am sorry he had to suffer so much in this life, towards the end of his short one. . . What an amazing reach his influence had...family, co-workers, students, and every single person that ever went through the doors of The Imagination Station (COSI) in Toledo...he even touched the lives of my children and my step-grandchildren, tho they never met. We are so thankful for the gifts that God gave him, and the way in which he used them to delight others. I wonder what 'job' God has in store for him in His heavenly Kingdom!..looking forward to meeting him there someday soon....and where we can all have an ETERNAL family reunion that will beat out any and all of the greats ones we have ever had even...basking, eating, enjoying the company of one another....I can't imagine the loss that you must feel. My prayers will be with you in healing and love...May GOD grant you His heavenly peace..and carry you through the low areas of this life, until you are able to start ascending again, on your own, the hills on this earth. Grace, -Julie Stevens (Surmont) and family.
