“ Dear Chick and all the family of Dr. Palmagill, we are so sorry to hear of the passing of dear Teresita. We worked together at old Mercy Hospital for many years and enjoyed the collegiality and friendship. Chick, she was such a good person and a great doctor as you are too. Remember many meetings and leadership committees that we all worked together over the years. Our deepest sympathies are with you and all the family. What a circle of events that she passed away at St. Lukes, your old hospital. May her good memories be with you to cherish for life. May she Rest In Peace
