“ It's been so long since we connected. I wanted to reach out to him a couple years ago but life did not allow as he passed before I could. There are few alive today who recognize who Ted was to me, and I guess its best to leave it alone. Leave it say he made life long impact on myself and my brother. Some good, some bad. I wish I had taken the chance to tell him, but I'm sure he knew. Rest in peace now dad, and thank you for your service to our country and our community. Tell mom we send our love.

“ When I had no father of my own to speak of...My grandpa was there. I was privileged to be born with this man in my life. He taught me love is thicker than blood and family is what you make it. He preached a "eat here, work here" ethic. Something that has stuck with me my entire life. He was the best man I know and I will miss him. Until we see each other again. ~ Sean
