“ Hi Julie,

I am so sorry for your loss. No matter how old WE are or how old are parents are when we lose them, it is always devastating. I wish I could tell you it gets easier but sadly, my experience with my own parents has proven that I miss them as much today as the day I lost them. I'm comforted knowing there will be a day when we are all together again.

I'm sorry I missed the notice in the paper but it was nice of the McAuley Alumni Assoc to send a notice.....I just haven't been on the computer in several weeks.

Take care, Julie and you and your family are in my thoughts and prayers.
