“ I offer my condolences to the entire Brown family. I knew Terry for many years, first as a colleague at the Robert F. Lindsay Co., for many years, then at Howard Hanna. We had some real estate deals together, and I always found Terry to be pleasant and knowledgeable. He will be missed~~Sue Hines

“ I've known Terry since the first grade at St Catherine's school, then through SFS. Throughout all that time he was boy/man all the boys and young ladies admired the most. His gentle leadership ways and sincere friendship epitomize the type of "gentleman" St Francis was founded to nurture.

The class of '62 will miss our leader, but never forget him.

“ Terry was such a special person. He reached out to encourage me to attend our 50th class reunion. He met me at the school and made me feel home. I am so thankful to have come to town and sit beside him at the last luncheon he organized for our class. I cannot stop the tears from flowing with the loss of this dear friend from my life. Thank you for all the hearts you have touched Terry Brown.

“ Terry and Carol are our neighbors, and Terry was the listing agent for the house we bought across the street from them. Terry was always a kind and friendly man, and we enjoyed many street chats with him over the last 2 years. You can tell how much he was loved seeing his family come spend time with him over the last couple months as his health was declining. He will be missed tremendously around the neighborhood, but he is no longer in pain and for that, we're thankful. Sending Carol, Andrea and the rest of the family good vibes and keeping you all in our thoughts and prayers during this difficult time.

“ I went to grade school with Terry. Even though he was the best football and basketball player he never bragged, but instead encouraged others. He was a polite and thoughtful person. My son Mike played basketball against his son. Terry complemented me as to how he felt Mike was a good player. I stayed in contact with him over the years.
