“ I only knew Tim professionally but it was apparent to all that he was a great human being in and out of court. His decency and kindness instantly shone through to all that met him. Even though I was always on the other side of the litigation, Tim always had my utmost respect. It was always a great pleasure to work with him. He will be missed! Please accept my deepest condolences for your loss.

“ Tim introduced me to handling litigated claims in Lucas County and the surrounding areas and it was like he had known me my whole life the first time we met. I have never met anyone who could make someone feel so instantly comfortable in his presence. I remember long conversations about our mutual love of coaching soccer and how proud he was that those girls he coached were still a part of his life. Tim was a truly remarkable individual and will be missed by anyone that knew him. Condolences to his family and friends.

“ So sad to lose a great attorney, but more important a great friend. Quick with a smile and a laugh you could hear across the room. Scores of soccer youth (young and now older) remember their coach. “ There are too many great memories of Tim to share in one post, but some of my favorites include "Mr. Tim" to my kids playing ball in the hall of the office with them, Tim trash talking Marianne until she wanted to hit him with the tennis ball (or her racquet), and Tim using exploding golf balls from the first tee at golf outings! His sense of humor and willingness to put himself out there for everyone else was a great example over the 20 years I had the pleasure to know him. He always talked about his family and was so proud of all the kids' accomplishments, more than any of his own. He always told me to make times for my kids' games and big events, they were more important than anything else. His love for all of you is evident by the way he lived, and I cannot tell you how sorry I am for your loss. Shannon George

“ *To Tim's Family,*

*Tim was as competent a lawyer as I have ever met. His kindness was admirable. As I was always on the other side, his good nature always made the cases in which we were involved a great pleasure. He advocated with spirit and negotiated with compassion. What a great guy! I am sorry for your loss.*

“ Dear Marianne, Caitlin, Sean and Patrick,  
Thank you for sharing Tim with us for so many years.  
We were some of the fortunate ones who were able to experience the gift of Tim's selfless coaching, watching as he taught mini soccer players to learn and grow on the field as they developed over time into young men.  
Never will we forget watching the playfulness on the sidelines of a soccer game as grapes flew through the air, always being caught in someone's mouth (most likely, Tim's) while orange slices were being ravenously consumed. Then the whistle blew and halftime was over. It was time again for the players to get serious and compete and play hard for the greatest coach ever.  
Tim was always so thoughtful, bringing flowers for the boys' to give their moms at a Mother's Day game or taking the time to wipe the tears of little Ducks after a hard fought loss.  
After game pizza and beer (for the parents), at Chuck E Cheese, and stinky, screaming soccer players running around like crazy will never be forgotten.  
Tim was an amazing role model with so much positive, happy energy.  
The memories are endless and will always make us smile, just like Tim was always doing.  
We are so happy for having been able to share time with The Mightiest Duck of All!  
Thanks for the memories, Tim!

“ I am so shocked and saddened to learn of Tim's passing. Tim and I grew up together in Delaware, Ohio...back in the stone age! My memories of him are of complete kindness, generosity and understanding. A total stand up gent! I last saw Tim 10 years ago at a high school reunion. Absolutely nothing had changed about him...all those wonderful qualities!!! My sincere condolences to all his family.

(Eskimo proverb) “Perhaps they are not stars, but rather openings in heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy.”

“ I had the pleasure of officially meeting Tim in 2007 when my family moved to the Toledo area. It was recommended to me early on in my new work assignment that I needed to go meet Tim. He is one of those souls that when you meet him, you feel like you've known him for a lifetime. He was always there to provide words of support and encouragement, share stories and experience. Everything always livened up when Tim was around. I will remember fondly the time I was able to spend with him at various events and outings, but mostly the time I was able to get to know the man during numerous racquetball games. There was not a game he didn't win, even if he clearly lost! I'm certain that I was fresh meat to Tim, but those times were filled with laughter and lessons. He would share stories of an experienced father to me, a younger father and I greatly appreciated that. Condolences and thanks to his wonderful family for sharing this great man with all of us.

“ It’s so hard to know what to say about such a terrible loss. Tim was the greatest mentor I could have hoped for. He taught me how to be a good lawyer while also being a good person, and he was universally loved and respected by everyone I’ve met who knew him, even those who were his frequent adversaries in court. I am a changed and better person because of him, and my life is richer for knowing and working with him. Helping him prepare for a two week trial in August 2017, we worked like crazy and laughed like crazy, and had so much fun. I’ll always be immensely grateful for those months and cherish the chance I had to work so closely with a man I respect to the ends of the earth and back. If I feel his loss as deeply as I do, I can’t imagine the loss to family and friends. Please know you are in my thoughts. Tim touched so many lives and inspired so many people that he leaves a behind a legacy of people like me who can only hope to make him proud.

“ Thoughts and prayers to Tim's family and all who loved him. He was the rarest of people who could make everyone he interacted with not only laugh, but feel good about things generally. His seemingly endless repertoire of parrot jokes (always politically correct) over a few beers was a study in humor and voice overs-to behold. Although your passing brings great sadness, I count myself blessed to have known you and I will not forget you. I pray that in time, the heartache of your loved ones gives way to the countless fond memories you created for them over the years. I know you would not want it any other way.

“ My heart is sad today, for this Earth has let go one of her best. Tim has given me more "free advise", more "free lunches", and more "free entertainment" than just about anyone I know. Tim was a true giver. He did what he did and was who he was because he was simply a blessed and happy guy who just wanted everyone around him to feel the same way.

*I knew Tim because of the work he did for the company I work for. If he is leaving a hole in my heart I can't imagine the crater he is leaving in the hearts of his family and close friends. For this reason I am praying for you all, especially his family, as I know this hurts; it hurts really bad. Try and live on with the beautiful memories Tim has given you. “ *Tim James was the best trial lawyer that I have ever worked with. He taught me everything I know about litigation (but not everything he knew). He was fair, honest and had integrity. He was funny and never took himself too seriously. I have never heard anyone ever say anything bad about him. In that regard he may be unique for a lawyer. It was pleasure to try a ten day trial with him in Port Clinton in 2017. We were co-counsel. The highlight of the trial was his gentlemanly and polite, yet devastating cross-examinations. A close second was the man's appreciation of food. He bought me lunch everyday at the same place for ten straight trial days. Our legal community will miss his sincerity, humility, and sense of humor. Heaven is now an even better place. RIP my friend.*
