“ I knew Val from working as a a nurse at Flower Hospital. She was such a caring person & professional. She had a calm manner about her & a warm smile that brought comfort to her patients. She was always willing to help you out.

My last memories were from the times we volunteered at the Red Cross Blood Drives.

She was a genuine caring person who would melt your heart with her big warm smile.

She has earned her heavenly reward with the Lord..

“ Aunt Val was a special lady who always seemed to warm your heart when you spoke with her. With a precious smile always seemingly on her face she made you feel good when you were around her. She will be missed.

My thoughts and prayers are with the Lee family.

“ Dear family,
We are thinking of you all and sharing your sorrow. We will always remember
Val as a dear, sweet lady with a lovely smile and a "twinkle in her eye". We were fortunate to be able to spend time with her when she visited Brad, Julie, (our daughter) and their young sons, John & Evan in Kansas City. We shared with her the love and pride she had for Brad & his family. Great conversation and friendly card games were always a part of the visit. Memories with Val will always bring a smile. May peace and comfort be with you.
