“ I first met Valerie and Rick back in 1999 when I worked with them at the hospital. Naturally I became drawn to them because they were such great people to be around and we shared many hobbies involving the outdoors over the years. I remember some of the best deer roasts being cooked by Valerie that I have ever eaten. I also remember the fine and loving hospitality Valerie always extended when I made it up to their home. I cannot express how deeply saddened I am that this wonderful person was taken from our lives. We all were better in life for having known her!

Valerie you were deeply respected and loved. I miss my times at the state on A300 and I was so shocked to hear of your passing last year, I often thought of you and Rick & Mike and Charlene and how you were all doing. My heart goes out to Rick as I know he must still be grieving, if someone that sees this that is in touch with him, will you please let him know "Ellie Mae" said "HI" God bless you now and always <3
