“ *I Never Saw Your Wings*

By an Unknown Author

*How is it that I never saw your wings
when you were here with me?
When you closed your eyes and soared
to the Heavens I could hear the
faint flutter of you wings as you left.
Your body no longer on this side
Your spirit here eternally I see your halo shine.
I close my eyes and see the multi-coloured wings
surround me in my saddest moments and my happiest times.
Sister my angel God has given you your assignment
always my sister forever my angel.
You fly into my dreams and when I am asleep
I feel your wings brush against my face wiping away
the tears I shed since I can no longer hold
you in my arms but in my heart.
You earned those wings dear sister
and you will always be my angel eternal.*

*I Love & Miss You!

Julie*

“ *Oh my goodness girlfriend, I am so heartbroken that I will not hear
your voice again, but I am so glad you are no longer in pain. You
were so brave and never gave up hope for a miracle. I am going to
miss you so much, our talks, our sharing pictures of our
grandchildren. You were always there for me when ever I needed
you. I remember I was in need of help when I lived in Ann Arbor,
and you dropped everything to come up and be with me. All the pool
games at the Albon Inn, hanging at coffee shops, crashing
weddings, are just a few of the memories I have to hold onto.
Spread your wings and land in the Lord's arms my friend, until we
meet again. I love you to pieces.*
