“ It is with a very sad 😞 heart that I am reading this obituary! Vicki and I were only together for a short period of time and I will forever treasure the time we had together! She would always make me laugh like no one else ever could! I have tried to find her but certainly with a broken 💔 I have to find you this way! I wish I had found her sooner! I did get the opportunity to meet much of her family, and you were all very kind!
