“ *I remember every time Ms Viola's face lit up when she knew I was working. She always told me she loved me and told her I loved her too. I will never forget her. Her heart was always so warm and beautiful. She made me feel as if I've known her all my life. She will always be in my heart and so will the family. I love all of you because you are all so kind and beautiful like " mommas". - Antoinette Johnson, Nurse Aide*
