“ Our family gives you our deepest condolences for the passing of your mother. May this tree be a symbol of the life that she gave you all and so many others. The planting of it will help to bring life to generations to come. Take care of yourselves - grieving is a process that takes time. Be kind to yourselves. In Love and Peace, The Foster Family

I was very sad to see Mrs. Barrow passed away. The Nazar family was introduced to middle eastern food long before it was a popular cusine in Toledo. Mrs. Barrow was an excellent cook and would often walk across the street and drop a dish full of delicious food. She was a kind, loving mother who will always hold a place in my heart. I am sure she is being greeted at heavens gate by Mr. Barrow, David and good ol' Egbert!
