“ As Ginny's cousin I have known her all my life as a kind and loving person. She always had a big smile and a positive attitude. She will be missed.

“ Deepest condolences to all her family and friends. I talked to her on the phone a few time and heard many stories but never had the pleasure of meeting her. WE wanted to go through all the old family photos that I have scanned together to try to put names to faces but things just never got scheduled. So sorry to have missed out on meeting such a wonderful woman! Anita L Relyea Stoddard
