

## William J. "Bill" Borer

June 24, 1934 - January 12, 2025

William J. "Bill" Borer passed away peacefully at age 90 on Sunday, January 12, 2025. A 1952 Central Catholic HS graduate, he proudly served in the US Army from March 1955 until March 1957. Bill retired in 1990 after a career at the US Postal Service.

Las Vegas was a favorite destination of Bill's, he estimated that he made at least 150 trips with many of his friends. He also enjoyed golfing and displayed a trophy that his friends had made for him celebrating his hole in one. It was one of the few decorations in his bachelor pad. His group of friends that he worked out with at St. James Club were loyal to him until the end. When he was no longer able to work out, but came to visit the club, they made sure to come in to see him.

Bill is survived by seventeen loving nieces and nephews, along with their spouses, that will miss Uncle Bill dearly. During the past six months many in his family have had the honor of spending countless hours with him. In true Borer fashion he was a strong man that made the best of his situation and tried to make things easy for those helping him out.

Bill is now reunited with his siblings Mary, Kate, Louise and Dick.

“ I have know Bill for close to fifty years. We worked together, and over the years traveled together to Las Vegas,Reno, Lake Tahoe, Tunica Mississippi, and Detroit, visiting the casinos. Bill and I drove cross country together to Las Vegas on one of our trips.Bill and I became friends at the Post Office and found we had a lot of similar interests.Bill like my self was no big gambler, He preferred the Blackjack tables and eventually switched to the Video Poker and slot machines.We probably flew out to Vegas close to a hundred times,sharing the flight and hotel expenses.About four or five years ago Bill informed me that it was his last trip to Vegas as the walking was just too strenuous and too hard to get around . That was my last trip there also as He was my travel companion and I decided to also give it up . The past few years Bill and I would meet once a week at the Toledo Casino for a few hours and occasionally have lunch along with some gambling.I considered Bill my best friend as I socialized more with Bill the past few years as we were both retired.and had similar interests. I liked Bill because he was honest, reliable and a fun guy to be around.Bill and I had many conversations arguing over politics ,religion,sportsand local and national news and events.When we disagreed any animosity was soon quickly forgotten and we were back to "Best Buddies" I will miss Bill and will never forget him. I consider myself very fortunate to have known Bill and have had the privilege of his friendship. RIP Bill, I'll see you again in that Big casino in the sky.Have a cold one waiting for me. Jim Wojo.

I have been telling my friends what a good guy my Uncle Bill was, but his friend has said it best. Thanks Wojo, and know that he loved you too.
