“ *Billy was little bit older then us so we did not hang out as much, he would be home when we would go visit but never for long he would take off, I only remember him being a very kind sweet person....I am saddened by this and taken back that he is gone, sending love and prayers to his family, god bless... “ *I lived next door for 10! Years and he would snow blow my sidewalk - I appreciated that so much and would sneak a gift to his door step. I always knew it was 4:00 am because he left for work every day - exactly at 4. I continued waking up and checking on him (I knew he was ok if his lights were on). I moved away in February and I have thought of him often. I am sad to hear of his passing; sending heartfelt condolences to the family.*

“ I have such great memories of spending a week several times at my Aunt Mary Ellen and Uncle Bill’s house in the summer. The tomboy in me loved hanging out with Billy and Jeff—we had so much fun together. More than 50 years later, I still cherish those memories. There aren’t words to say how sad we are to hear of Bill’s passing. Our love to Bill’s whole family, and prayers for God’s grace and peace during this sad time. Ann and Jim Hester
